

I just died in your arms tonight

Oh I, I just died in your arms tonight
It must have been something you said, I just died in your arms tonight
I keep looking for something I can't get, Broken hearts lie all around me.
And I don't see an easy way to get out of this
Her diary it sits on the bedside table The curtains are closed, the cats in the
cradle. Who would've thought that a boy like me could come to this

Oh I, I just died in your arms tonight
It must've been something you said, I just died in your arms tonight
Oh I, I just died in your arms tonight
It must've been some kind of kiss, I should've walked away, I should've
walked away

Is there any just cause for feeling like this? On the surface I'm a name on a
list, I try to be discreet, but then blow it again.
I've lost and found, it's my final mistake She's loving by proxy, no give and
all take 'cos I've been thrilled to fantasy one too many times.

Oh I, I just died in your arms tonight
It must've been something you said I just died in your arms tonight.
Oh I, I just died in your arms tonight
It must've been some kind of kiss I should've walked away, I should've walked
away

It was a long hot night, She made it easy, she made it feel right
But now it's over the moment has gone, I followed my hands not my head, I
knew I was wrong.

Oh i, i just died in your arms tonight
it must have been something you said, i just died in your arms tonight.
Oh i, i just died in your arms tonight
it must have been some kind of kiss, i should have walked away, i should
have walked away

Waitin' for some lover to call
Dialed about a thousand numbers lately

Black Velvet

Mississippi in the middle of a dry spell
Jimmy Rogers on the Victrola up high
Mama's dancin' with baby on her shoulder
The sun is settin' like molasses in the sky
The boy could sing, knew how to move, everything
Always wanting more, he'd leave you longing for

Chorus:
Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring ya to your knees
Black velvet if you please

Up in Memphis the music's like a heatwave
White lightening, bound to drive you wild
Mama's baby's in the heart of every school girl
"Love me tender" leaves 'em cryin' in the aisle
The way he moved, it was a sin, so sweet and true
Always wanting more, he'd leave you longing for

chorus

Every word of every song that he sang was for you
In a flash he was gone, it happened so soon, what could
you do?

(Solo)

chorus repeats 2x

If you please, if you please, if you please

Angels

I sit and wait, Does an angel contemplate my fate.
And do they know, The places where we go
When we're grey and old,
'cos I've been told That salvation lets their wings unfold
So when I'm lying in my bed, Thoughts running through my head
And I feel that love is dead, I'm loving angels instead.

Refr.:

And through it all she offers me protection
A lot of love and affection, Whether I'm right or wrong.
And down the waterfall, Wherever it may take me
I know that life won't break me, When I come to call
she won't forsake me, - I'm loving angels instead.

When I'm feeling weak, And my pain walks down a one way street
I look above, And I know I'll always be blessed with love
And as the feeling grows, She breathes flesh to my bones
And when love is dead, I'm loving angels instead

Refr.

And through it all she offers me protection
A lot of love and affection, Whether I'm right or wrong.
And down the waterfall, Wherever it may take me
I know that life won't break me, When I come to call
she won't forsake me, - I'm loving angels instead.

Flashdance

First when there's nothing, But a slow glowing dream
That your fear seems to hide, Deep inside your mind
All alone I have cried, Silent tears full of pride
In a world made of steel, Made of stone.

Well, I hear the music, Close my eyes, feel the rhythm
Wrap around, Take a hold of my heart
What a feeling, Bein's believin'
I can have it all, Now I'm dancing for my life
Take your passion, And make it happen
Pictures come alive, You can dance right through your life.

Now I hear the music, Close my eyes, I am rhythm
In a flash, It takes hold of my heart
What a feeling, Bein's believin'
I can have it all, Now I'm dancing for my life
Take your passion, And make it happen
Pictures come alive , You can dance right through your life.

Simply the Best

I call you when I need you, my heart's on fire.
You come to me, come to me wild and wild.
When you come to me, - Give me everything I need.

Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
Mmm, and it can't be wrong, Take my heart and make it strong, baby.

You're simply the best, Better than all the rest
Better than anyone, Anyone I've ever met.
I'm stuck on your heart, I hang on every word you say
Tear us apart, Baby, I would rather be dead.

In your heart, I see the star of every night and every day
In your eyes, I get lost, I get washed away
Just as long as I'm here in your arms, I could be in no better place.

You're simply the best, Better than all the rest
Better than anyone, Anyone I've ever met
Ooh, I'm stuck on your heart, I hang on every word you say
Don't tear us apart, no, no, no, Baby, I would rather be dead.

Each time you leave me, I start losing control.
You're walking away with my heart and my soul.
I can feel you even when I'm alone, - Oh baby, don't let go....

D.....

Ooh, you're the best, ooh Better than all the rest
Better than anyone Anyone I've ever met
Ooh, I'm stuck on your heart,, I hang on every word you say
Don't tear us apart, no, no, Baby, I would rather be dead.

Smilet i ditt eget speil

Jeg ser du kunne hatt det litt bedre
Jeg vet du har det vondt, slipper ingen inn på deg.

Små føtter i et iskaldt hav, Hodet under vann, later som om alt er greit
Elska av de andre, men du elska ikke den du var.
For gutten inni bildet klarte aldri å finne gode svar.

De sa du dansa på roser. De sa du aldri dro feil
Men det var en ting du savna Det var smilet i ditt eget speil
Stupet i havet, I frihet for deg
Under vann for å skrike, Så ingen kunne høre deg.

Kast maska du har lov til å gråte
Du skulle sagt ifra, men vet at det er lett å si.

Ikke hør på alle stemmer i hodet, Som sier du er svak, det er lov å ha det
vanskelig. Elska av de andre men du elska ikke den du var
For gutten inni bildet klarte aldri å finne gode svar.

De sa du dansa på roser. De sa du aldri dro feil
Men det var en ting du savna, Det var smilet i ditt eget speil
Stupet i havet, For frihet for deg
Under vann for å skrike, Så ingen kunne høre deg.

For du dansa på roser, Dro feil
Du savna, Smilet i ditt eget speil
Stupet i havet, For frihet for deg.
Under vann for å skrike, Så ingen kunne høre deg.

De sa jeg dansa på roser, De sa jeg aldri dro feil
Men det var en ting jeg savna, Det var smilet i mitt eget speil.

If I could turn back time

If I could turn back time, If I could find a way
I'd take back those words that've hurt you and you'd stay

I don't know why I did the things I did
I don't know why I said the things I said
Pride's like a knife, it can cut deep inside
Words are like weapons, they wound sometimes

I didn't really mean to hurt you, I didn't wanna see you go
I know I made you cry, but baby
If I could turn back time, if I could find a way
I'd take back those words that've hurt you and you'd stay
If I could reach the stars, I'd give 'em all to you
Then you'd love me, love me, like you used to do, If I could turn back time

My world was shattered, I was torn apart
Like someone took a knife and drove it deep in my heart
When you walked out that door I swore that I didn't care
But I lost everything, darlin', then and there

Too strong to tell you I was sorry, Too proud to tell you I was wrong
I know that I was blind and darlin'

If I could turn back time, if I could find a way
I'd take back those words that've hurt you and you'd stay
If I could reach the stars, I'd give 'em all to you
Then you'd love me, love me, like you used to do

If I could turn back time, (If I could turn back time)
If I could turn back time, (If I could turn back time)
If I could turn back time, Oh, baby

I didn't really mean to hurt you, I didn't wanna see you go
I know I made you cry, but

If I could turn back time, if I could find a way
I'd take back those words that hurt you
If I could reach the stars, I'd give 'em all to you
Then you'd love me, love me, like you used to do
If I could turn back time, if I could find a way
And maybe, maybe, maybe you'd stay, If I could reach the stars....

Like a prayer

Life is a mystery, everyone must stand alone
I hear you call my name, And it feels like home.

When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there.

I hear your voice, it's like an angel sighing
I have no choice, I hear your voice, Feels like flying
I close my eyes, Oh God I think I'm falling
Out of the sky, I close my eyes, Heaven help me.

When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there
Like a child you whisper softly to me.

You're in control just like a child, Now I'm dancing
It's like a dream, no end and no beginning
You're here with me, it's like a dream, Let the choir sing.

When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there
When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel a power
Just like a prayer you know I'll take you there
Life is a mystery, everyone must stand alone
I hear you call my name, And it feels like home.

Just like a prayer, your voice can take me there
Just like a muse to me, you are a mystery
Just like a dream, you are not what you seem
Just like a prayer, no choice your voice can take me there
Just like a prayer, I'll take you there, It's like a dream to me
Just like a prayer, I'll take you there, It's like a dream to me
Just like a prayer, I'll take you there.....

Die with a smile

I, I just woke up from a dream, Where you and I had to say goodbye.
And I don't know what it all means, But since I survived, I realized.
Wherever you go, that's where I'll follow Nobody's promised tomorrow
So I'ma love you every night like it's the last night
Like it's the last night.

If the world was ending, I'd wanna be next to you
If the party was over and our time on Earth was through.
I'd wanna hold you just for a while, and die with a smile.
If the world was ending, I'd wanna be next to you. Ooh

Ooh, lost, lost in the words that we scream
I don't even wanna do this anymore
'Cause you already know what you mean to me
And our love's the only war worth fighting for
Wherever you go, that's where I'll follow
Nobody's promised tomorrow.
So I'ma love you every night like it's the last night
Like it's the last night.

If the world was ending, I'd wanna be next to you.
If the party was over and our time on Earth was through.
I'd wanna hold you just for a while and die with a smile.
If the world was ending, I'd wanna be next to you.

Right next to you, Next to you, Right next to you
Oh-oh, oh

- - - - -

If the world was ending, I'd wanna be next to you.
If the party was over and our time on Earth was through.
I'd wanna hold you just for a while, and die with a smile.
If the world was ending, I'd wanna be next to you.....
- If the world was ending, I'd wanna be next to you.
Ooh, I'd wanna be next to you...

Stil got the blues

Used to be so easy to give my heart away.
But I found out the hard way,
there's a price you have to pay.
I found out that love was no friend of mine.
I should have known time after time.

So long, it was so long ago,
but I've still got the blues for you.

Used to be so easy to fall in love again.
But I found out the hard way,
it's a road that leads to pain.
I found that love was more than just a game.
You're playin' to win, but you lose just the same.

So long, it was so long ago,
but I've still got the blues for you.

So many years since I've seen your face.
Here in my heart, there's an empty space
where you used to be.

- - - - -

-

So long, it was so long ago,
but I've still got the blues for you.
Though the days come and go,
there is one thing I know.
I've still got the blues for you.

Can't buy me love

The Wall

We don't need no education
We dont need no thought control
No dark sarcasm in the classroom
Teachers leave them kids alone
Hey! Teachers! Leave them kids alone!
All in all it's just another brick in the wall.
All in all you're just another brick in the wall.

We don't need no education
We dont need no thought control
No dark sarcasm in the classroom
Teachers leave them kids alone
Hey! Teachers! Leave them kids alone!
All in all it's just another brick in the wall.
All in all you're just another brick in the wall.

"Wrong, Do it again!"

"If you don't eat yer meat, you can't have any pudding. How can you have any pudding if you don't eat yer meat?"

"You! Yes, you behind the bikesheds, stand still laddy!»

The Story

All of these lines across my face
Tell you the story of who I am
So many stories of where I've been
And how I got to where I am
But these stories don't mean anything
When you've got no one to tell them to
It's true, I was made for you

I climbed across the mountain tops
Swam all across the ocean blue
I crossed all the lines and I broke all the rules
But baby, I broke them all for you
Oh, because even when I was flat broke
You made me feel like a million bucks
You do, and I was made for you

You see the smile that's on my mouth
It's hiding the words that don't come out
And all of my friends who think that I'm blessed
They don't know my head is a mess
No, they don't know who I really am
And they don't know what I've been through like you do
And I was made for you

All of these lines across my face
Tell you the story of who I am
So many stories of where I've been
And how I got to where I am
Oh, but these stories don't mean anything
When you've got no one to tell them to
It's true, I was made for you

Oh, yeah, well it's true that I was made for you

Time of my life

Now I've had the time of my life, No, I never felt like this before
Yes I swear it's the truth, And I owe it all to you
'Cause I've had the time of my life, And I owe it all to you.

I've been waiting for so long
Now I've finally found someone to stand by me
We saw the writing on the wall, And we felt this magical fantasy
Now with passion in our eyes,
There's no way we could disguise it secretly
So we take each others hand
'Cause we seem to understand the urgency, Just remember..
You're the one thing, I can't get enough of
So I'll tell you something, This could be love.

Because I've had the time of my life
No, I never felt this way before, Yes I swear it's the truth
And I owe it all to you, Hey baby.

With my body and soul
I want you more than you'll ever know
So we'll just let it go, Don't be afraid to lose control, no
Yes, I know what's on your mind when you say
"Stay with me tonight" (stay with me), And remember
You're the one thing, I can't get enough of
So I'll tell you something, This could be love.

Because I've had the time of my life, No, I never felt this way before
Yes I swear it's the truth, And I owe it all to you.....
'Cause I've had the time of my life
And I've searched through every open door (never felt this way)
Till I found the truth, And I owe it all to you...
Till I found the truth (you do it to me, baby)
And I owe it all to you.

Optimist

Jeg står i mørke og skimter lyset i det fjerne
Det er så kaldt jeg søker varme fra en stjerne
Jeg tenker opp når jeg er nede for jeg er en optimist

Jeg har et håp hver gang jeg går omkring i blinde
Det finnes en sol i oss som snart skal begynne å skinne
Som får meg opp når jeg er nede om og om og om igjen

Jeg har en drøm at vi tar vare på hverandre
Og gir det beste i oss selv til alle andre
Jeg tenker opp når jeg er nede om å om å om igjen

Optimist, jeg vet det går bra til sist
Så lenge jeg lever her er jeg en optimist
Jeg er en optimist

Jeg har en tro jeg har ett mål som jeg skal finne
Jeg har en kraft og det er viljen til å vinne
Det får meg opp når jeg er nede om og om og om igjen

Vil at livet blir en dans i lyset
En dans for håpet og en dans for gleden
En dans i frihet og en dans for freden
Det skal gååååååååååå

Optimist, jeg vet det går bra til sist
Så lenge jeg lever her er jeg en optimist

Optimist, jeg vet det går bra til sist
Så lenge jeg lever her er jeg en optimist

Optimist, jeg vet det går bra til sist
Så lenge jeg lever her er jeg en optimist
Jeg er en optimist.

Flowers

We were good, we were gold, Kinda dream that can't be sold
We were right 'til we weren't Built a home and watched it burn
Mm, I didn't wanna leave you I didn't wanna lie
Started to cry, but then remembered I.

I can buy myself flowers Write my name in the sand
Talk to myself for hours Say things you don't understand.
I can take myself dancing And I can hold my own hand
Yeah, I can love me better than you can.

Can love me better I can love me better, baby

Beat it

They told him, "Don't you ever come around here"
"Don't wanna see your face, you better disappear"
The fire's in their eyes and their words are really clear So beat it, just beat it.

You better run, you better do what you can.
Don't wanna see no blood, don't be a macho man.
You wanna be tough, better do what you can
So beat it, but you wanna be bad.

You wanna stay alive, better do what you can. So beat it, just beat it.

You have to show them that you're really not scared
You're playin' with your life, this ain't no truth or dare
They'll kick you, then they'll beat you
Then they'll tell you it's fair
So beat it, but you wanna be bad.

Living on a prayer

Tommy used to work on the docks, union's been on strike
He's down on his luck, it's tough, so tough
Gina works the diner all day working for her man
She brings home her pay, for love, for love
She says, we've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot for love
We'll give it a shot.

Woah, we're half way there, Woah, livin' on a prayer
Take my hand, we'll make it I swear, Woah, livin' on a prayer.

Tommy's got his six-string in hock
Now he's holding in what he used to make it talk
So tough, it's tough, Gina dreams of running away
When she cries in the night, Tommy whispers
Baby, it's okay, someday, We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot for love
We'll give it a shot.

Woah, we're half way there, Woah, livin' on a prayer
Take my hand, we'll make it I swear, Woah, livin' on a prayer
Livin' on a prayer.

Oh, we've got to hold on, ready or not
You live for the fight when it's all that you've got
Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer
Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer
Woah, we're half way there
Woah, livin' on a prayer
Take my hand, we'll make it I swear
Woah, livin' on a prayer.

The Final Countdown

We're leaving together,
But still it's farewell
And maybe we'll come back
To earth, who can tell?
I guess there is no one to blame
We're leaving ground (leaving ground)
Will things ever be the same again?

It's the final countdown, The final countdown
Oh
We're heading for Venus (Venus)
And still we stand tall
'Cause maybe they've seen us (seen us)
And welcome us all, yeah
With so many light years to go
And things to be found (to be found)
I'm sure that we'll all miss her so.

It's the final countdown, The final countdown
The final countdown, The final countdown
Oh
The final countdown, oh
It's the final count down
The final countdown
The final countdown
The final countdown
Oh
It's the final count down
We're leaving together
The final count down
We'll all miss her so
It's the final countdown
It's the final countdown
Oh It's the final countdown, yea

Try

Ever wonder 'bout what he's doing, How it's all turned to lies
Sometimes I think that it's better, ,To never ask why.

Where there is desire, there is gonna be a flame
Where there is a flame, someone's bound to get burned.
But just because it burns, doesn't mean you're gonna die
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try.

Funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy, Even when it's not right
Where there is desire, there is gonna be a flame
Where there is a flame, someone's bound to get burned
But just because it burns, doesn't mean you're gonna die
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try.

Ever worry that it might be ruined
And does it make you wanna cry
When you're out there doing what you're doing
Are you just getting by
Tell me are you just getting by, by, by
Where there is desire, there is gonna be a flame
Where there is a flame, someone's bound to get burned
But just because it burns, doesn't mean you're gonna die
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try
You gotta get up and try, and try, and try
You gotta get up and try, and try, and try
You gotta get up and try, and try, and try
You gotta get up and try, and try, and try
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try.
Roar until it cried, more, more, more
Now he's back home doing nine to five
Living his grey flannel life
But when he turns off to sleep
Old memories creep, more, more, more
Itchi gitchi ya ya da da da, Itchi gitchi ya ya here.

Can't Tame her

Don't need no one, she can dance on her own
Club is closin', but she ain't goin' home.
Night is still young, where the hell will she go?
Nobody knows, nobody knows.

Ain't the first time 'cause I've seen her before
Smell her perfume as she walks through the door
I wanna know where the hell will she go?
Nobody knows, nobody-nobody knows.

Refr.: No, you can't tame the girl 'Cause she runs her own world.
So if she wants to party all night (all night) No, you can't tame her, no.
And you can't tie her down, When the night comes around.
Said she gonna party all night (all night) And you can't change her
Can't blame her, can't tame her .

Can't tame her magic energy She's so magnetic, pulls you in every time.
(every time) Every time (every time)
But she don't care, she gonna do what she wants (she wants)
Because she never needed any reason (reason)
Yeah, she a girl and she just wanna have fun, ooh-ooh.

Refr.:

And you can't change her
Can't blame her, can't tame her .

Don't need no one, she can dance on her own
Club is closin', but she ain't goin' home
Night is still young, where the hell will she go?
Nobody, nobody-nobody knows
Ain't the first time 'cause I've seen her before
Smell her perfume as she walks through the door
I wanna know where the hell will she go?
Nobody knows, nobody-nobody knows (no)

Refr.:
And you can't change her
Can't blame her, can't tame her.

The show must go on

Empty spaces, what are we living for?
Abandoned places, I guess we know the score
On and on, does anybody know what we are looking for?

Another hero, another mindless crime
Behind the curtain, in the pantomime
Hold the line, does anybody want to take it anymore?
The show must go on, The show must go on, Yeah
Inside my heart is breaking, My make-up may be flaking
But my smile still stays on.

Whatever happens, I'll leave it all to chance
Another heartache, another failed romance
On and on, does anybody know what we are living for?
I guess I'm learning (I'm learning), I must be warmer now
I'll soon be turning (turning, turning, turning), 'round the corner now
Outside the dawn is breaking
But inside in the dark I'm aching to be free.

The show must go on
The show must go on (yeah yeah)
Ooh, inside my heart is breaking
My make-up may be flaking
But my smile still stays on, .
Yeah
My soul is painted like the wings of butterflies
Fairy tales of yesterday will grow but never die
I can fly my friends
The show must go on, yeah
The show must go on
I'll face it with a grin
I'm never giving in
On with the show
Ooh, I'll top the bill, I'll overkill
I have to find the will to carry on
(On with the show, on with the show)
Show (show must go on, go on)

The Loner

Gimme all your lovin'

I got to have a shot
Of what you got
It's oh so sweet
You got to make it hot
Like a boomerang I need a repeat
Gimme all your lovin'
All your hugs and kisses too
Gimme all your lovin'
Don't let up until we're through
You got to whip it up
And hit me like a ton of lead
If I blow my top
Will you let it go to your head
Gimme all your lovin'
All your hugs and kisses too
Gimme all your lovin'
Don't let up until we're through
You got to move it up
And use it like a screwball would
You got to pack it up
And work it like a new boy should
Gimme all your lovin'
All your hugs and kisses too
Gimme all your lovin'
Don't let up until we're through

Lady Marmelade

Hey sister, go sister, soul sister, go sister
Hey sister, go sister, soul sister, go sister
He met marmalade down in old New Orleans
Struttin' her stuff on the street
She said: Hello, Hey joe, you wanna give it a go? Mmm, mmm
Itchi gitchi ya ya da da, Itchi gitchi ya ya here
Mocha-choca-lata ya ya, Creole lady marmalade.

Voulez-vous coucher avec moi ce soir?
Voulez-vous coucher avec moi?
He sat in her boudoir while she freshened up
The boy drank all her magnolia-wine
On the black satin sheets oh I swear he started to freak
Itchi gitchi ya ya da da, Itchi gitchi ya ya here
Mocha-choca-lata ya ya, Creole lady marmalade.

Voulez-vous coucher avec moi ce soir?
Voulez-vous coucher avec moi?, Hey, hey, hey.

Touching her skin feelin' silky smooth
The colour of cafe au lait
Made the savage beast inside
Roar until it cried, more, more, more
Now he's back home doing nine to five
Living his grey flannel life
But when he turns off to sleep
Old memories creep, more, more, more
Itchi gitchi ya ya da da da, Itchi gitchi ya ya here
Mocha-choco-lata ya ya, Creole lady marmalade.

Voulez-vous coucher avec moi ce soir?
Voulez-vous coucher avec moi?
Voulez-vous couchez avec moi ce soir?
Creole lady marmalade
Voulez-vous coucher avec moi ce soir?
Voulez-vous coucher avec moi?
Voulez-vous couchez avec moi ce soir?
Voulez-vous coucher avec moi?
Voulez-vous couchez avec moi ce soir?

Chandelier

Party girls don't get hurt, Can't feel anything, when will I learn?
I push it down, push it down, I'm the one "for a good time call».
Phone's blowin' up, ringin' my doorbell, I feel the love, feel the love
One, two, three, one, two, three, drink, One, two, three, one, two, three, drink.
One, two, three, one, two, three, drink, Throw 'em back 'til I lose count.

I'm gonna swing from the chandelier, From the chandelier.
I'm gonna live like tomorrow doesn't exist, Like it doesn't exist.
I'm gonna fly like a bird through the night, Feel my tears as they dry
I'm gonna swing from the chandelier, From the chandelier.

But I'm holding on for dear life, Won't look down, won't open my eyes
Keep my glass full until morning light, 'Cause I'm just holding on for tonight.
Help me, I'm holding on for dear life, Won't look down, won't open my eyes
Keep my glass full until morning light, 'Cause I'm just holding on for tonight,
on for tonight.

Sun is up, I'm a mess Gotta get out now, gotta run from this
Here comes the shame, here comes the shame.
One, two, three, one, two, three, drink, One, two, three, one, two, three, drink
One, two, three, one, two, three, drink, Throw 'em back 'til I lose count.

I'm gonna swing from the chandelier, From the chandelier
I'm gonna live like tomorrow doesn't exist, Like it doesn't exist.
I'm gonna fly like a bird through the night, Feel my tears as they dry
I'm gonna swing from the chandelier, From the chandelier.

But I'm holding on for dear life, Won't look down, won't open my eyes
Keep my glass full until morning light, 'Cause I'm just holding on for tonight
Help me, I'm holding on for dear life, Won't look down, won't open my eyes
Keep my glass full until morning light, 'Cause I'm just holding on for tonight
On for tonight, on for tonight, 'Cause I'm just holding on for tonight.

Oh, I'm just holding on for tonight, On for tonight, on for tonight
'Cause I'm just holding on for tonight, 'Cause I'm just holding on for tonight
Oh, I'm just holding on for tonight, On for tonight, on for tonight.

Fame

Baby, look at me, And tell me what you see
You ain't seen the best of me yet
Give me time, I'll make you forget the rest
I got more in me, And you can set it free
I can catch the moon in my hand, Don't you know who I am.
Remember my name.

Refr.:

Fame, I'm gonna live forever, I'm gonna learn how to fly, high
I feel it comin' together, People will see me and cry, fame
I'm gonna make it to heaven, Light up the sky like a flame, fame
I'm gonna live forever, Baby, remember my name.
% Remember, remember, remember, remember. %

Baby, hold me tight, 'Cause you can make it right
You can shoot me straight to the top
Give me love and take all I got to give
Baby, I'll be tough, Too much is not enough, no
I can ride your heart 'till it breaks, Ooh, I got what it takes

Refr.:

Proud Mary

Left a good job down in the city
Workin' for the man every night and day
And I never lost one minute of sleepin'
I was worryin' 'bout the way that things might've been
Big wheel keep on turnin' Ooh, the Proud Mary keep on burnin'
And we're rollin' (rollin'), rollin', yeah (rollin')
Rollin' on the river (rollin' on the river).

Cleaned a lot of plates in Memphis
And I pumped a lot of 'tane down in New Orleans
But I never saw the good side of the city
Until I hitched a ride on the riverboat queen
You know the big wheel keep on turnin' Proud Mary keep on burnin'
And we're rollin' (rollin'), rollin', yeah (rollin')
Rollin' on the river (rollin' on the river).
Say we're rollin' (rollin'), rollin' (rollin') Rollin' on the river (rollin' on the river)

Splitte pine

Hei, hvor enn du er i verden, Det er deilig å sløve i skyggen
Hold deg våken, nå skjerpes greiene, Store høvding skvise litt hardere
Mas, mas, mas over hele linja, Mandag hele året,
det er ingenting å le av, Men jeg kan ikke la være.
Splitter pi - ine, Splitter pine, Splitter pi - ine, Splitter pine.

Jeg har fått nokk av rush trafikk,
og sure passasjerer med vassent blikk
å, Vi lever alle under pishen, noe sier meg at jeg er helt klar for paradiset
som ligger på ryggen å velter meg å gliser, mens jeg synger på en salme
mens alle mann, Mas, mas, mas over hele linja
Mandag hele året,, det er ingenting å le av. Men jeg kan ikke la være
Splitter pi - ine, Splitter pine, Splitter pi - ine, Splitter pine.

The Climb

I can almost see it, That dream I'm dreaming but
There's a voice inside my head saying
You'll never reach it,, Every step I'm taking,
Every move I make feels, Lost with no direction
My faith is shaking but I
Gotta keep trying, Gotta keep my head held high.

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb.

The struggles I'm facing, The chances I'm taking
Sometimes might knock me down but
No I'm not breaking, I may not know it
But these are the moments that, I'm going to remember most yeah,
Just got to keep going, And I
I gotta be strong, Just keep pushing on, 'cause.

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb (yeah).

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be a uphill battle
Sometimes you gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb (yeah yeah ea ea)
Keep on moving, Keep climbing, Keep the faith baby
It's all about, It's all about, The climb
Keep the faith, Keep your faith, Whoa oh oh

Shut up and dance

Oh don't you dare look back, Just keep your eyes on me
She said shut up and dance with me
This woman is my destiny, She said oh oh oh
Shut up and dance with me.

We were victims of the night, The chemical, physical, kryptonite
Helpless to the bass and the fading light
Oh we were bound to get together, Bound to get together.
She took my arm, I don't know how it happened
We took the floor and she said.

Oh don't you dare look back, Just keep your eyes on me
I said you're holding back, She said shut up and dance with me
This woman is my destiny, She said oh oh oh
Shut up and dance with me.

A backless dress and some beat up sneaks
My discotheque Juliet teenage dream
I felt it in my chest as she looked at me
I knew we were bound to be together
Bound to be together.
She took my arm, I don't know how it happened
We took the floor and she said.

Oh don't you dare look back, Just keep your eyes on me
I said you're holding back, She said shut up and dance with me
This woman is my destiny, She said oh oh oh
Shut up and dance with me.

Oh, c'mon girl
Deep in her eyes, I think I see the future
I realize this is my last chance
She took my arm, I don't know how it happened
We took the floor and she said.....

Oh don't you dare look back, Just keep your eyes on me
I said you're holding back, She said shut up and dance with me
This woman is my destiny, She said oh oh oh
Shut up and dance with me.

We are the Champions

I've paid my dues, Time after time
I've done my sentence, But committed no crime
And bad mistakes , I've made a few,
I've had my share of sand kicked in my face
But I've come through.

We are the champions, my friends
And we'll keep on fighting 'til the end
We are the champions, We are the champions
No time for losers, 'Cause we are the champions of the world.

I've taken my bows, And my curtain calls
You brought me fame and fortune and everything that goes with it
I thank you all, But it's been no bed of roses
No pleasure cruise, I consider it a challenge before the whole human race
And I ain't gonna lose.

We are the champions, my friends
And we'll keep on fighting 'til the end
We are the champions, We are the champions
No time for losers, 'Cause we are the champions of the world..
We are the champions, my friends
And we'll keep on fighting 'til the end
We are the champions, We are the champions
No time for losers, 'Cause we are the champions
Of the world

I'm so exited

Tonight's the night we're gonna make it happen,
Tonight we'll put all other things aside.
Give in this time and show me some affection,
We're goin' for those pleasures in the night.
I want to love you, feel you. Wrap myself around you.
I want to squeeze you, please you. I just can't get enough.
And if you move real slow, I'll let it go.

I'm so excited, and I just can't hide it.
I'm about to lose control and I think I like it.
I'm so excited, and I just can't hide it.
And I know, I know, I know, I know, I know I want you.

We shouldn't even think about tomorrow,
Sweet memories will last a long, long time.
We'll have a good time, baby, don't you worry,
And if we're still playin' around, boy, that's just fine.

Let's get excited, we just can't hide it.
I'm about to lose control and I think I like it.
I'm so excited and I just can't hide it.
And I know, I know, I know, I know, I know I want you, I want you.

All that pressure got you down
Has your head spinning all around.
Feel the rhythm, check the rhyme
Come on along and have a real good time.
Like the days of stopping at the Savoy
Now we freak, oh what a joy
Just come on down, to fifty four
Find a spot out on the floor.

Aaahh freak out! Le freak, see'est Chic
Freak out! Now freak! I said freak! Now freak!
All that pressure got you down

Perfect

I found a love for me, Darling just dive right in, And follow my lead
Well I found a girl beautiful and sweet
I never knew you were the someone waiting for me.

'Cause we were just kids when we fell in love, Not knowing what it was
I will not give you up this time.
But darling, just kiss me slow, your heart is all I own
And in your eyes you're holding mine.
Baby, I'm dancing in the dark with you between my arms
Barefoot on the grass, listening to our favorite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, darling, you look perfect tonight.

Well I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a love, to carry more than just my secrets
To carry love, to carry children of our own
We are still kids, but we're so in love, Fighting against all odds
I know we'll be alright this time.
Darling, just hold my hand, Be my girl, I'll be your man
I see my future in your eyes.

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight.

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see
Now I know I have met an angel in person
And she looks perfect
I don't deserve this, You look perfect tonight.

Hip to be square

I used to be a renegade, I used to fool around.
But I couldn't take the punishment, and had to settle down.
Now I'm playing it real straight, and yes I cut my hair.
You might think I'm crazy, but I don't even care.
'Cause I can tell what's going on.....
It's hip to be square, It's hip to be square.

I like my bands in business suits, I watch them on TV.
I'm working out 'most everyday and watching what I eat.
They tell me that it's good for me, but I don't even care.
I know that it's crazy, I know that it's nowhere,
But there is no denying that.
It's hip to be square, It's hip to be square
It's hip to be square, It's hip to be square.

It's not too hard to figure out , you see it everyday.
And those that were the farthest out, have gone the other way.
You see them on the freeway, It don't look like a lot of fun.
But don't you try to fight it, And an idea who's time has come.

Don't tell me that I'm crazy, Don't tell me I'm nowhere
Take it from me.
It's hip to be square, It's hip to be square
It's hip to be square, It's hip to be square

Eye of the tiger

Risin' up, back on the street, Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive.
So many times, it happens too fast, You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive.

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger....

Face to face, out in the heat, Hangin' tough, stayin' hungry
They stack the odds 'till we take to the street
For the kill with the skill to survive.

It's the eye of the tiger, it's the dream of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger.

Risin' up, straight to the top, Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive.

It's the eye of the tiger, it's the dream of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger
The eye of the tiger, The eye of the tiger
The eye of the tiger, The eye of the tiger.

Hotel California

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night.
There she stood in the doorway,, I heard the mission bell
And I was thinking to myself, This could be heaven or this could be Hell'.
Then she lit up a candle and she showed me the way
There were voices down the corridor, I thought I heard them say...

Welcome to the Hotel California
Such a lovely place (such a lovely place), Such a lovely face.
Plenty of room at the Hotel California
Any time of year (any time of year) you can find it here.

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget
So I called up the Captain,, 'Please bring me my wine'
He said, 'we haven't had that spirit here since nineteen sixty-nine'
And still those voices are calling from far away,
Wake you up in the middle of the night, Just to hear them say».

Welcome to the Hotel California
Such a lovely place (such a lovely place), Such a lovely face.
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis.

Mirrors on the ceiling, The pink champagne on ice
And she said, 'we are all just prisoners here, of our own device'
And in the master's chambers,, They gathered for the feast
They stab it with their steely knives,, But they just can't kill the beast....

Last thing I remember, I was Running for the door
I had to find the passage back to the place I was before
'Relax' said the night man,
'We are programmed to receive.'
You can check out any time you like,
But you can never leave!

Can't buy me love

Bad moon rising

I saw her standing there

Green River

Well, take me back down where cool water flow, ye
Let me remember things I love.
Stoppin' at the log where catfish bite,
Walkin' along the river road at night,
Barefoot girls dancin' in the moonlight.

I can hear the bull frog callin' me
Wonder if my rope's still hangin' to the tree.
Love to kick my feet way down the shallow water,
Shoe fly, dragon fly, get back t your mother
Pick up a flat rock, skip it across Green River.

Up at Cody's camp I spent my days, oh,
With flat car riders and cross-tie walkers.
Old Cody, Junior took me over,
Said, you're gonna find the world is smouldrin'
An' if you get lost, come on home to Green River
Well, come home.

Have you ever seen the rain

He ain't heavy

The road is long, with many of winding turns.
That lead us to who, knows where, who knows where?
But I'm strong, strong enough to carry him - yeah.
He ain't heavy - he's my brother.

So long we go, his welfare is my concern.
No burdon is he to bear, we'll get there.
But I know, he would not encumber me.
He ain't heavy - he's my brother.

If I'm leaving, at all, if I'm leaving, with sadness.
that everyone's heart, isn't filled with the gladness,
of love for one another.

It's a long, long road, from which there is no return.
While we're on the way to there, why not share?
And the long - doesn't - way - me - down at all.
He ain't heavy - he's my brother.

% He's my brother - he ain't heavy - he's my brother ...%

What ever you want

Whatever you want, Whatever you like, Whatever you say
You pay your money, You take your choice
Whatever you need, Whatever you use
Whatever you win, Whatever you lose.

You're showing off, You're showing out
You look for trouble, Turn around, give me a shout
I take it all, You squeeze me dry
And now today You couldn't even say goodbye.

I could take you home, On the midnight train again
I could make an offer you can't refuse
Whatever you want, Whatever you like, Whatever you say
You pay your money, You take your choice
Whatever you need, Whatever you use
Whatever you win, Whatever you lose.

You're showing off, You're showing out, You look for trouble
Turn around, give me a shout
I take it all You squeeze me dry
And now today You couldn't even say goodbye.
I could take you home On the midnight train again
I could make an offer you can't refuse.

Whatever you need, Whatever you use
Whatever you win, Whatever you lose.

Shallow (G)

Intro: Em D/F# G C G D

Tell me somethin', girl, Are you happy in this modern world?
Or do you need more? Is there somethin' else you're searchin' for?
I'm fall- -ing, In all the good times I find myself.
Longin' for change, and in the bad times I fear myself...

Tell me something, boy, aren't you tired tryin' to fill that void?
Or do you need more? Ain't it hard keeping it so hardcore?

I'm fall - ing In all the good times I find myself.
Longing for a change, and in the bad times I fear myself.

Refr.:

I'm off the deep end, watch as I dive in,
I'll never meet the ground.
Crash through the surface, where they can't hurt us.
We're far from the shallow now.

In the sha..., sha-al -low, In the sha - shalla - lala-low,
In the sha, shallow, We're far from the shallow now. Åh.....

+ Refr.:

Min første kjærlighet

Jeg var ung, og visste alt
Lo av det som ble fortalt
Skulle aldri forelske meg
Men det var før jeg traff deg.
Glemte alt om tid og sted
Du var alt jeg ville se...

Min første kjærlighet, Gjorde mer for meg
Enn du noen gang kan forestille deg.
Min største kjærlighet, Ga jeg bort til deg
Det fantes bare én av dem i meg.

Det skjer en gang, i alles liv
Du blir forelska og naiv.
Alt du ser, er kun din venn
Sånt hender ikke lett igjen.
Alt jeg husker er spenninga
Og følelsen som den ga...

Min første kjærlighet, Gjorde mer for meg
Enn du noen gang kan forestille deg.
Min største kjærlighet, Ga jeg bort til deg
Det fantes bare én av dem i meg.

Du e den finaste e veit

Det e jaggi me rart koss det kan gå te. Tenk at du går i lag med meg.
Og om det bles kalt, e eg varm og heit, for du e den finast e veit.
I granskande skin frå ei gatelykt, ekkje alt - like trygt.
Og spør du meg no, bli eg heilt i beit: Koffår den finast e veit?

Og når dyna varmar kring oss bære to i mørke natta,
ska eg kviskre i øyra ditt og svara på koffår du, - e den finast e veit.

Kor eg henta alt motet frå, Kan'kje eg forstå.
Men ein ting veit eg klart og greit: At du e den finast e veit.

Og når dyna varmar kring oss bære to i mørke natta,
ska eg kviskre i øyra ditt og svara på koffår du, - e den finast e veit.

Nei, at eg skulle ha slik tur, det e 'kje te å tru!
Når alt va slutt, og eg skull gå, ved døra der stod du! -----

De e jaggi me rart koss det kan gå te. Tenk at du går i lag med meg.
Og om det bles kalt, e eg varm og heit, for du, - e den finast e veit.

Og når dyna varmar kring oss bære to, i mørke natta,
ska eg kviskre i øyra ditt og svara på, - koffår du e den finast e veit.

Og når dyna varmar kring oss bære to, i mørke natta,
ska eg kviskre i øyra ditt og svara på koffår du, - e den finast e veit.

I dont wanna miss a thing

I could stay awake just to hear you breathing
Watch you smile while you are sleeping, Far away and dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Well, every moment spent with you, Is a moment I treasure.

I don't wanna close my eyes, I don't wanna fall asleep
'Cause I'd miss you, babe, And I don't wanna miss a thing
'Cause even when I dream of you, The sweetest dream will never do
I'd still miss you, babe, And I don't wanna miss a thing.

Lying close to you, Feeling your heart beating
And I'm wondering what you're dreaming, Wondering if it's me you're seeing
Then I kiss your eyes and thank God we're together
And I just wanna stay with you, In this moment forever, forever and ever

I don't wanna close my eyes, I don't wanna fall asleep
'Cause I'd miss you, babe, And I don't wanna miss a thing
'Cause even when I dream of you, The sweetest dream will never do
I'd still miss you, babe, And I don't wanna miss a thing

I don't wanna miss one smile, I don't wanna miss one kiss
Well, I just wanna be with you, Right here with you, just like this
I just wanna hold you close, Feel your heart so close to mine
And stay here in this moment, For all the rest of time.

I don't wanna close my eyes, I don't wanna fall asleep
'Cause I'd miss you, babe, And I don't wanna miss a thing
'Cause even when I dream of you, The sweetest dream will never do
I'd still miss you, babe, And I don't wanna miss a thing

I don't wanna close my eyes, I don't wanna fall asleep
'Cause I'd miss you, babe, And I don't wanna miss a thing

'Cause even when I dream of you, The sweetest dream will never do
I'd still miss you, babe, And I don't wanna miss a thing.

Hello

I've been alone with you inside my mind
And in my dreams I've kissed your lips a thousand times
I sometimes see you pass outside my door
Hello, is it me you're looking for?

I can see it in your eyes, I can see it in your smile
You're all I've ever wanted, and my arms are open wide.
'Cause you know just what to say
And you know just what to do
And I want to tell you so much, I love you....

I long to see the sunlight in your hair
And tell you time and time again how much I care
Sometimes I feel my heart will overflow
Hello, I've just got to let you know
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely, or is someone loving you?
Tell me how to win your heart
For I haven't got a clue
But let me start by saying, I love you....

Davy's on the Road Again

Davy's on the road again, Wearin' different clothes again
Davy's turnin' handouts down, To keep his pockets clean.

All his goods are sold again, His word's as good as gold again
Says, if you see Jean now ask her Please, to pity me.

Jean and I we moved along. -
Since the day down in the hollow.
When the mind went driftin' on. -
And the feet were soon to follow.

Davy's on the road again, Wearin' different clothes again.
Davy's turnin' handouts down, To keep his pockets clean.
Sayin' his goodbyes again, Wheels are in his eyes again.
Says, if you see Jean now ask her
Please, to pity me,

Downtown in the big town. -
Gonna set you back on your heels.
With a mouthful of memories. -
And a load of stickers for my windshield.

*Shut the door, cut the light.
Davy won't be home tonight.
You can wait 'til the dawn rolls in.
You won't see our Davy again.*

Highway to Hell.

Livin' easy, Lovin' free
Season ticket on a one way ride
Askin' nothin', Leave me be
Takin' everythin' in my stride.

Don't need reason, Don't need rhyme
Ain't nothin' that I'd rather do
Goin' down, Party time
My friends are gonna be there too.

I'm on the highway to hell, On the highway to hell
Highway to hell, I'm on the highway to hell.

No stop signs, Speed limit
Nobody's gonna slow me down
Like a wheel, Gonna spin it
Nobody's gonna mess me around.

Hey satan, Payin' my dues
Playin' in a rockin' band
Hey mumma, Look at me
I'm on the way to the promised land.

I'm on the highway to hell, Highway to hell.
I'm on the highway to hell, Highway to hell.

Don't stop me
I'm on the highway to hell, On the highway to hell
Highway to hell, I'm on the highway to hell
(Highway to hell) I'm on the highway to hell
(Highway to hell) highway to hell
(Highway to hell) highway to hell
(Highway to hell), And I'm goin' down

All the way, I'm on the highway to hell...

We dont talk anymore (C)

Intr: D 8t

Used to think that life was sweet, Used to think we were so complete,
I can't believe you'd throw it away.
Used to feel we had it made, Used to feel we could sail away,
Can you imagine how I feel today?

Well, it seems a long time ago, You were the lonely one. Em Hm G
Now it comes to letting go, You are the only one.
Do you know what you've done?

It's so funny how we don't talk anymore
It's so funny, why we don't talk anymore?
But I ain't losing sleep and I ain't counting sheep....

It's so funny how we don't talk anymore. Oh, we don't talk, ooh...

- ----- (We don't talk)

Well, it really doesn't matter to me, I guess your leaving was meant to be It's
down to you now, you wanna be free.

Well, I hope you know which way to go, You're on your own again Don't come
crying to me when you're the lonely one.
Remember what you've done.

Oh, it's so funny how we don't talk anymore.
It's so funny, why we don't talk anymore.
But I ain't losing sleep and I ain't counting sheep, No, no, no.

It's so funny how we don't talk anymore, anymore
Oh, we don't talk anymore, Ooh, we don't talk anymore
But I ain't, no, losing sleep, No, I ain't counting sheep, No, no, no, no

It's so funny how we don't talk anymore, anymore. Oh, we don't talk, oh, we don't talk.....
