Signed, sealed, delivered, I'm yours (F)

F Dm
Like a fool, I went and stayed too long.
F Dm Bb
Now, I'm wondering if your love's still strong, Ooh baby, here I am
Bb/C F
Signed, sealed, delivered, I'm yours.

Then that time I went and said goodbye
Now, I'm back and not ashamed to cry, Ooh baby, here I am
Signed, sealed, delivered, I'm yours.
F Bb
Here I am, baby, You got my future in your hands.
Here I am, baby, You got my future in your hands
I've done a lot of foolish things
That I really didn't mean, yeah, yeah, didn't I?

Oh baby, seen a lot of things in this old world
When I touch them, they mean nothing, girl
Ooh baby, here I am
Signed, sealed, delivered, I'm yours, I'm yours.

Oowee baby, you set my soul on fire
That's why I know you're my heart's only desire, Ooo baby, here I am
Signed, sealed, delivered, I'm yours, Here I am, baby

You got my future in your hands, baby, Here I am, baby
You got my future in your hands, baby
Yeah, I've done a lot of foolish things, That I really didn't mean
I could be a broken man, But here I am
Watch out with my future babe
Here I am, baby
Here I am, baby, get it
Signed, sealed, delivered, I'm yours
Ooh baby
Here I am, baby
Signed, sealed, delivered, I'm yours
Here I am, baby
Signed, sealed, delivered, I'm yours.

Living for the city (E)

E

A boy is born in hard time Mississippi
Surrounded by four walls that ain't so pretty.
His parents give him love and affection
To keep him strong, moving in the right direction.

A H E

Living just enough, just enough for the city.

E

His father works some days for fourteen hours.
And you can bet, he barely makes a dollar.
His mother goes to scrub the floors for many.
And you'd best believe, she hardly gets a penny.

A H E

Living just enough, just enough for the city.

/D /C# /C /Bb /Ab /G /F E

His sister's black, but she is sho'nuff pretty.
Her skirt is short, but Lord her legs are sturdy.
To walk to school, she's got to get up early.
Her clothes are old, but never are they dirty.
Living just enough, just enough for the city.

Her brother's smart, he's got more sense than many.
His patience's long, but soon he won't have any.
To find a job is like a haystack needle.
'Cause where he lives they don't use colored people.
Living just enough, just enough for the city, yeah.

Everybody, city, yeah

(Living just enough for the city, whoa) Ain't nothin' but the city
(Living just enough for the city, whoa) Everybody, city, yeah
(Living just enough for the city, whoa) Ain't nothin' but the city
(Living just enough for the city, whoa) Living for the city, yeah
(Living just enough, for the city, whoa) The funky, cryin' city

A place in the sun (C)

Like a long lonely stream, I keep runnin' towards a dream
Movin' on, movin' on
Like a branch on a tree, I keep reachin' to be free
Movin' on, movin' on.

There's a place in the sun
Where there's hope for everyone
Where my poor restless heart's gotta run.
There's a place in the sun
And before my life is done, Gotta find me a place in the sun.

Like an old dusty road, I get weary from the load
Movin' on, movin' on
Like this tired troubled earth, I've been rollin' since my birth
Movin' on, movin' on.

There's a place in the sun
Where there's hope for everyone
Where my poor restless heart's gotta run
I know there's a place in the sun
And before my life is done, Gotta find me a place in the sun.

You know when times are bad
And you're feeling sad
I want you to always remember.....

Yes, there's a place in the sun
Where there's hope for everyone
Where my poor restless heart's gotta run
I know there's a place in the sun.

Don't blame it on the good times, Blame it on the boogie

Don't blame it on the sunshine, Don't blame it on the moonlight

Don't blame it on the good times, Blame it on the boogie

That nasty boogie bugs me, but somehow how it has drugged me

Spellbound rhythm gets me on my feet

I've changed my life completely, I've seen the lightning leave me

And my baby just can't take her eyes off me.

I've known of your, Your secluded nights.
I've even seen her, Maybe once or twice.
But is her sweet expression
Worth more than my love and affection?
But this time before you leave my arms.
And rush off to her charms.

(Think it over) Haven't I been sweet to you?

Stop! In the name of love, Before you break my heart

Where did our love go? (C)

[illegible]

Ooh, please don't leave me all by myself.

I've got this burning, burning, yearning feelin' inside me.

Ooh, deep inside me and it hurts so bad.

You came into my heart (baby, baby) so tenderly.
With a burning love (baby, baby).
That stings like a bee (baby, baby).

Now that I surrender (baby, baby) so helplessly.
You now want to leave (baby, baby).
Ooh, you wanna leave me (baby, baby).
Ooh (baby, baby).

Baby, baby, where did our love go?
Ooh, don't you want me?
Don't you want me no more (baby, baby)?
Ooh, baby.

Baby, baby, where did our love go?
And all your promises of a love forevermore!
I've got this burning, burning, yearning feelin' inside me.
Ooh, deep inside me, and it hurts so bad.

Before you won my heart (baby, baby)
You were a perfect guy. But now that you got me
You wanna leave me behind (baby, baby)
Ooh, baby.
