### Born on the Bayuo (D)

D  
When I was just a little boy, Standin' to my Daddy's knee  
My Papa said "Son, don't let the man get you  
And do what he done to me? "

C G D  
Cause he'll get you.

C G D  
'Cause he'll get ya now, now".

D  
Well, I can remember the Fourth of July  
Runnin' through the backwood bay  
I can still hear my old hound dog barkin'  
Chasin' down a hoodoo there,

C G D  
Chasin' down a hoodoo there

C G D  
Born on the bayou, Born on the bayou

C G D  
Born on the bayou, Born on the bayou

C G D  
Born on the bayou, Born on the bayou

### Who'll stop the rain (G)

G Em G Em  
G C G  
Long as I remember, The rain's been comin' down.

G C G  
Clouds of mystery pourin', Confusion on the ground.

C G C G  
Good men through the ages, Tryin' to find the sun.

C Hm Em G  
And I wonder, still I wonder, Who'll stop the rain?

I went down Virginia, Seekin' shelter from the storm  
Caught up in the fable, I watched the tower grow  
Five years plans and new deals, Wrapped in golden chains  
And I wonder, still I wonder, Who'll stop the rain?

Heard the singers playin' How we cheered for more  
The crowd had rushed together, They're tryin' to keep warm  
Still the rain kept pourin', Fallin' on my ears  
And I wonder, still I wonder, Who'll stop the rain

## We are the world (E)

E - - - - - A E D - A H

E A H E  
There comes a time When we heed a certain call

A H E  
When the world must come together as one.

C#m G#m F#m  
There are people dying Oh, and it's time to lend a hand to life

A H  
The greatest gift of all.

We can't go on Pretending day-by-day  
That someone, somewhere soon make a change.

We're all a part of God's great big family  
And the truth, you know, love is all we need.

A H E  
We are the world, We are the children.

A H E  
We are the ones who make a brighter day, so let's start giving.

C#m G#m  
There's a choice we're making, We're saving our own lives.

F#m H E  
It's true we'll make a better day, just you and me.

Oh, send them your heart, So they know that someone cares  
And their lives will be stronger and free.

As God has shown us, by turning stones to bread  
And so we all must lend a helping hand.

Refr.

C D E  
When you're down and out, there seems no hope at all.  
But if you just believe there's no way we can fall.

C#m G#m  
Well, well, well, well let us realize, Oh, that a change can only come

F#m A H  
When we stand together as one, yeah, yeah, yeah.

## Do they know it's Christmas (C)

F G C

It's Christmas time, there's no need to be afraid  
At Christmas time, we let in light and we banish shade.

F G C F

And in our world of plenty we can spread a smile of joy

Dm G C

Throw your arms around the world at Christmas time.

F G C

But say a prayer, Pray for the other ones  
At Christmas time it's hard, but when you're having fun.

F G

There's a world outside your window

C F Dm G

And it's a world of dread and fear, Where the only water flowing.

C F Dm G

Is the bitter sting of tears And the Christmas bells that ring,

C F

There are the clanging chimes of doom.

Dm G C

Well tonight thank God it's them instead of you.

F G C

And there won't be snow in Africa this Christmas time

The greatest gift they'll get this year is life F

Where nothing ever grows, No rain nor rivers flow

Dm G C

Do they know it's Christmas time at all?

Here's to you... Raise a glass for everyone.

Here's to them... Underneath that burning sun

## Ein Bischen Frieden/Litt mere frihet (G)

G D D G - G D D G

G D

Wie eine Blume am Winter beginn.

D G

Und so wie ein Feuer im eisigen Wind.

G C

Wie eine Puppe, die keiner mehr mag.

D G

Fühl ich mich an manchem Tag.

Men det finnes en ny kraft som vokser i meg.

Det tar jeg som tegn på at vi er på vei.

En sang skapt av angst – har den kanskje nådd frem

Og tent alles håp igjen?

G D

A little loving, a little giving

D G

To build a dream for the world we live in.

G D

A little patience and understanding

D G

For our tomorrow a little peace.

A little sunshine, a sea of gladness

To wash away all the tears of sadness.

A little hoping, a little praying

For our tomorrow a little peace.

----- Gitar-vers -----

Jeg vet at en sang ikke endrer det spor.

Men min enkle stemme kan bli til et kor.-

Som bygger en bro over all verdens folk

Hvor ingen behøver tolk.

% Litt mere frihet og fred på jorden

En drøm er sådd, og for hver dag gror den.

Litt mere frihet og ekte glede

Litt mere varme og kjærlighet.

Litt mere frihet og tro på livet - Et sted hvor ingen behøver lide.

Med fred og frihet i våre hjerter.

Tror jeg den dagen blir virkelighet. %

Growin' up, you don't see the writing on the wall.

Play the game, you know you can't quit until it's won.  
Soldier on, only you can do what must be done.

You're just a prisoner and you're tryin' to break free.

Soon be home, only just a few miles down the road.  
I can make it, I know, I can  
You broke the boy in me but you won't break the man.

I can see a new horizon underneath the blazin' sky  
I'll be where the eagle's flying higher and higher  
Gonna be your man in motion, all I need's this pair of wheels  
Take me where my future's lyin', St. Elmo's fire.  
I can climb the highest mountain, cross the wildest sea  
I can feel St. Elmo's fire burnin' in me, burnin' in me.

Just once in his life a man has his time  
And my time is now, I'm coming alive.

I can hear the music playin', I can see the banners fly  
Feel like you're back again, and hope ridin' high.  
Gonna be your man in motion, all I need's this pair of wheels  
Take me where my future's lyin', St. Elmo's fire.

I can see a new horizon underneath the blazin' sky

I can climb the highest mountain, cross the wildest sea  
I can feel St. Elmo's fire burnin' in me.  
Burnin', burnin' in me, I can feel it burnin'

## Angels (G)

I sit and wait, Does an angel contemplate my fate.

And do they know, The places where we go, When we're grey and old,

'cos I've been told That salvation lets their wings unfold

So when I'm lying in my bed, Thoughts running through my head

And I feel that love is dead, I'm loving angels instead.

Refr.:

And through it all she offers me protection

A lot of love and affection, Whether I'm right or wrong.

And down the waterfall, Wherever it may take me

I know that life won't break me, When I come to call

she won't forsake me, - I'm loving angels instead.

When I'm feeling weak, And my pain walks down a one way street  
I look above, And I know I'll always be blessed with love  
And as the feeling grows, She breathes flesh to my bones  
And when love is dead, I'm loving angels instead.

Refr.
